

Special Issue from the 1st International Day on Applied Mathematics and Informatics

December 26th 2016, Moulay Ismail University, FSTE Errachidia, Morocco.

We invite authors to contribute original research articles for a presentation during JIMAFSTE2016 in the following potential topics that include, but are not limited to:

1. Numerical analysis and applications,
2. Linear Algebra & Applications,
3. Mathematical Modeling,
4. Data computing,
5. Big Data & Icloud,
6. E-Learning,
7. Mobile Networks,
8. Cryptography & Security,
9. Software Engineering,
10. Signal & Image processing,

After the conference, selected papers can be submitted in extended version for further reviews in *MNS* (**Mathematics in Natural Science**). The selection process will be based on both the reviewer's evaluations of the papers and the quality of the author's presentations at the conference.

Before submission, authors of selected papers should carefully read over the journal's Author Guidelines, which are located at

<http://www.isr-publications.com/mns>

The manuscripts **MUST** be electronically submitted at **PDF** and **MNS formats** to the guest editor-in-chief.
